**(customer)**  
measured by \_\_\_\_\_ Date \_\_\_\_\_

**FOR ALTERATIONS:**

- 1) Measure both the **Circumferences** and *Vertical Distances* on the client and record on pg. 1.
- 2) On drawing above, circle areas of suit needing alterations, show where you want zippers, pockets, etc...
- 3) Check appropriate highlighted box and sign acceptance on pg 1
- 4) Ship suit to:

**Chris Summers, Terrapin Wetsuits**  
**6515 Hwy 27**  
**Center Point, TX 78010-1513**

**FOR NEW CUSTOM SUIT:**

- 1) Record all measurements on pg. 1
- 2) Select extras and accessories
- 3) Sketch the suit design, colors, and thickness(es) you want on the drawings above. Heavy lines are where seams will be on the suit (except for horizontal lines on thighs of full length suits)
- 4) Email to [Chris@TerrapinWetsuits.com](mailto:Chris@TerrapinWetsuits.com) to review design and get quote for cost
- 5) Check the appropriate highlighted box and sign acceptance on pg 1.
- 6) Mail both pages along with deposit to:

**Chris Summers, Terrapin Wetsuits**  
**6515 Hwy 27**  
**Center Point, TX 78010-1513**
